**NORTH
CAROLINA
DEPARTMENT
OF REVENUE**

Beginning May 1, 2015, a person applying for or renewing an ABC permit is subject to a tax compliance check with the North Carolina Department of Revenue (NC DOR).

In order to pass the tax compliance check, applicants are required to have: (1) Filed all applicable tax returns; and (2) Paid all tax due or is currently meeting the terms of a payment agreement with NC DOR.

Due to tax secrecy requirements, the ABC Commission will not be supplied with any taxpayer-specific information, including the reason(s) for an applicant being deemed non-compliant. The ABC Commission is only aware that you have not passed the compliance check.

Please contact NC DOR directly at their nearest field office for more information on the matter and to initiate any required actions such as filing outstanding returns or paying owed taxes.
