MEMORANDUM 2970

TO: ABC Boards and ABC Warehouse
FROM: Mike DeSilva
Deputy Commissioner
DATE: March 15, 2024

****Pricing Reports****

To help ensure the Boards have the most up-to-date pricing information, we will be pushing through the pricing reports which are available to you on the Boards' website under "Download Pricing Files," on the 5th of the month (or the next business day) and again near the 20th. This will allow you to have the pricing for any new listings, as well as updates. This memo will continue to be sent. Thank you.

****Special Order Product Report****

There have been requests to create a report for the Special Order products, including pricing and UPCs. I will attach a report with the memos, but please keep in mind this product list changes daily. You should still check the special order section of the Boards' website. Thank you.
