Clayton Warehouse: 977 Shotwell Road, Suite 103, Clayton, NC 27520

Updated 10/13/22

The person scheduling a delivery is required to e-mail appointment requests with BOL attachments to Dock_Scheduling@lbbncabc.com.

- The BOL must be itemized with the NC 5-digit product codes & quantity for each item.
- Provide your name, company name, phone#, and preferred delivery date.

The person then calls 919-773-2870 (after e-mailing the paperwork) to schedule the appt.

- Leave your name, company name, phone#, and preferred delivery date.
- Also leave a brief message with any other necessary information.
- You will be contacted no later than the end of the next business day.

Things that prevents LB&B from scheduling an appt is the following but not limited to:

- No call made to schedule the delivery (the paperwork was e-mailed only).
- Paperwork was not e-mailed before the person called to schedule the appt.
- Paperwork didn't have the NC 5-digit product codes and quantity for each item.
- Paperwork didn't provide the preferred appointment date.
- If any item on the BOL exceeds the "max" allocation.
